

Autumn Newsletter 2011

Dear Members,

This missive is just a reminder of a few forthcoming events.

Sunday 25th September

This Sunday is 'welcome back to WORC' after the Summer break. A cheese and wine party, which starts at 2.00pm, £10 on the door, finishes at 5.00pm. Very conveniently at 6.00pm, The Judith Charmers are playing at The Station for those with the stamina to carry on.

Tuesday 18th October

The laying up of The Normandy Veterans Standard, there are not enough invitations printed to send to every member but you are all most sincerely welcome to attend. I attach a copy of the instructions for the service.

Saturday 29th October

Thank you very much to those who have responded to the Spicer McColl advertising boards for 'Fireworks on The Quay'. Unfortunately we have not yet reached the total we could have, thus if anyone else can help out by having a board outside their property, please let me know before the end of the month when the final list has to be submitted.

I hope to catch up with many of you this weekend, by which time the Commodore may have come down from cloud nine after Ireland's spectacular win over the Aussies last Saturday!
